 - Not modifying, copying, or deleting files of other users without their consent.
- **Respect and practice the principles of community by:**
 - Communicating only in ways that are kind and respectful.
 - Reporting threatening or discomfoting materials.
 - Not intentionally accessing, transmitting, copying, or creating material that violates the school's code of conduct (such as messages or images that are pornographic, threatening, rude, discriminatory, or meant to harass).
 - Not using the resources to further other acts that are criminal or violate the school's code of conduct.
 - Not sending spam, chain letters, or other mass unsolicited mailings.
 - Not buying, selling, advertising, or otherwise conducting business.
- **Students, if in accordance with the acceptable use policy may:**
 - Design and post web pages and other material from school resources.
 - Use district technology resources to maximize learning.
 - May bring their own device, as long as, they adhere to the District's BYOT guidelines.

While the District will take reasonable steps to restrict access to such material (including the use of an Internet content filter), it is impossible to guarantee that such access cannot or will not be gained. It is the student's responsibility to follow the guidelines for appropriate use and standards for conduct. The District shall not be liable for users' inappropriate use of the District's technology, resources, violations of copyright restrictions or other laws, users' mistakes or negligence, and costs incurred by users.

The District shall not be responsible for ensuring the availability of the District's technology resources or the accuracy, age appropriateness, or usability of any information found on the Internet.

Violation of these rules may result in disciplinary action, including but not limited to the loss of privileges with the use of Chillicothe R-2 School District's information technology resources.

Supervision and Monitoring: Chillicothe R-2 School District Administrators, the Network Systems Administrator and any authorized employees do monitor the use of the Chillicothe R-2 School District's technology resources. This is to help maintain system integrity and ensure that all users are acting responsibly. The Chillicothe R-2 School District reserves the right to examine, use, and disclose any data found within the Chillicothe R-2 School District's information networks. This data may be used as information in disciplinary actions. Upon the request of law enforcement agencies this data will be made available.

Parents, if you feel you do NOT want your child to have Internet access, you will be responsible for informing the Superintendent's Office (1020 Old Hwy 36) in writing, before the end of the second week of school.

Parent(s)/Guardian(s) please discuss these rules with the student to ensure that he/she understands them. You may request a copy of this document to keep and it will also be available at: www.chillicotheschools.org/forms.shtml
